

***Saint Louis Pastoral Council Letter of Appreciation and Special
Recognition
January 3, 2012***

Mrs. Pat Hopkin

The Saint Louis Pastoral Council wishes to express a deep appreciation for the 12 years of exceptional service that you have so lovingly given God's people while working in our Saint Louis Parish Office. As you accomplished your many and extremely diverse responsibilities every day, you did so in a way that demonstrated your deep devotion to God and our parish family. You have been a wonderful example of kindness, support, and Christian love as you expertly guided and assisted all who called or visited the office in need of assistance or information. In addition, you have done much to insure that the Saint Louis office remained not only a place where business was expertly and meticulously attended to, but also a place of ministry and evangelization. Your caring extended beyond your assigned work hours as you consistently demonstrated your dedication in ways that greatly exceeded the highest expectations of excellence. We also thank you for the many other ways that you have worked to further God's kingdom here at Saint Louis. We especially appreciate your loyal and continuing service to the Catholic Daughters and the Eucharistic Ministers of Holy Communion.

May God bless you and those you love as you begin this new chapter in your life.

"Keep on doing what you have learned and received and heard and seen in me. Then the God of peace will be with you." (Philippians 4:9)
