

**St. Louis School
Summer Reading 2011**

Students entering Grade 4

Dear Parents,

Below is a list of books for your child to read over the summer. Your child is required to read 3 books from this list. When your child returns to school he/she will be asked to write a paragraph about his/her favorite book (out of the 3 read). The rest of the books are recommended for additional reading. Please encourage your child to read as many books as possible in order to improve his/her reading fluency, comprehension and vocabulary.

Thank you.

The Fourth Grade Teachers

Birney, B. *Trouble According to Humphrey*
